Biography

Patrice Francois is a dynamic entertainer, speaker, entrepreneur, and a game-changing trendsetter that aims to inspire. Through a nexus of professional works, Ms. Francois has dedicated her life to the impossible, while dismantling stereotypes that are often prejudicially held against immigrants.

Ms. Francois migrated from Trinidad and Tobago to the United States in her late teens in efforts to establish a new legacy for her life and for those around her. In a short period of time, Ms. Francois has acquired a Master's degree in both Business Administration and in Human Resources, In addition, she is certified in Studio and Field Production. Ms. Francois is currently the Producer and host of her own talk show entitled, "The Mss Francois Show", which discusses the many facet of relationships while keeping everyone engaged using humor. The Mss Francois Show currently reaches an estimate of 100,000 online viewers and is available to over 3 millions homes in Brooklyn, Queens, The Bronx and all over the Caribbean.

Ms. Francois continues to remain civically engaged as she partners with youth empowerment organizations such as AIMHigh, Fordham Kiwanis and World Vision. She was also the former President of The Emerging Speakers of Elmont Toastmasters which seeks to help others in public speaking and their leadership skills. In 2016 she held the title as winner of District 46 Toastmasters Humorous Speech Contest, and in 2017 she performed her One Woman Show entitled "FRUSTRATED" at Theater Row in New York City.

Ms. Francois savvy approach to life is timeless and remains relevant for this generation as she continues to empower, inspire and serve others.
